

February 10, 2014

**These courses fulfill a Chemical Engineering professional requirement**

Any ANSC class 2000 level or higher  
Any BIOL class 2000 level or higher  
Any BME class 2000 level or higher  
Any CE class 2000 level or higher  
Any CHEG class 2000 level or higher  
Any CHEM class 2000 level or higher  
Any CSE class 2000 level or higher  
COGS 2201  
Any EEB class 2000 level or higher  
Any ECE class 2000 level or higher  
Any ENGR class 2000 level or higher  
Any ENVE class 2000 level or higher  
Any GSCI class 2000 level or higher  
Any HESC class 2000 level or higher  
Any ME class 2000 level or higher  
Any MEM class 2000 level or higher  
Any MATH class 2000 level or higher  
Any MCB class 2000 level or higher  
Any MSE class 2000 level or higher  
Any NRE class 2000 level or higher  
Any NUSC class 2000 level or higher  
Any PHRX class 2000 level or higher  
Any PHYS class 2000 level or higher  
Any PNB class 2000 level or higher  
Any PLSC class 2000 level or higher  
Any SOIL class 2000 level or higher  
Any STAT class 2000 level or higher
